Peace with our Lord Jesus Christ

I've got joy, peace and happiness in my soul
I got the spirit of God in my heart
He is the solution to all my needs
He gave me love, power, peace and joy
And I shall not fear anyone on this earth
I shall fear only God

And I shall conquer untruth by truth
And resisting untruth
Because I know he is the beginning of wisdom
So why do I have to worry about the end
I know he is the creator
So why do I fear those who want to destroy me

I know he has forgiven me
So why can't I forgive myself
I know he is the healer
So why do I worry about the sickness
I know he is my strength and my salvation
So why do I feel weak

I know he is the way, the truth and the life
And I set my mind, heart, soul to be at peace with our Lord Jesus Christ.
